## INTUITIVE & ACCESSIBLE

PlayPosit is intuitive for every teacher, regardless of technology experience. We build on teachers' existing worksheet creation workflows to easily design interactive videos. Add interactive content onto of any of our video integrations (YouTube, Vimeo, TeacherTube, Shmoop, ShowMe, SchoolTube, Wistia, Ensemble, etc.) for flipped and blended learning.

## PROFESSIONAL DEVELOPMENT

Via PlayPosit's administrator supports and dashboard, flipping professional development to ensure maximum engagement and accountability couldn't be easier. Similarly, our administrator supports, PD search engine for content, and pedagogy supports ensure each administrator, trainer, and instructor is supported during every step of the process.

## STUDENT SELF TEACHING

Teachers effectively multiply themselves to empower every student while reducing work. PlayPosit boasts an ingrained student-teacher feedback loop and comment function to ensure students are learning how they learn. Students create lessons and master their own learning.

## DEEPLY INTEGRATED

Our site license offer robust LMS/LTI and private content integrations to ensure workflow and access is even more seamless. Explore a few of our integration below learning partners below:

# Site License

## Administrator Portal

Flip professional development. Create, edit, and track user accounts. Manage organization level preferences and capture usage data.

## Premium Accounts

Access our algorithm-rated database of 250K modular lessons; print worksheets; download grades; internally crop videos; embed websites and auto-graded fill-in-the-blank questions

## Student Accounts

Creation of their own PlayPosit lessons; student explanation options; student comment and rating options; mobile and browser optimized

## Custom Content Integration

Integrations with content providers like WarpWire, Wistia, Ensemble Video, and others.

## Integration with Learning Management Systems

Single sign on, automatic account creation, course enrollment, and role setting. Grade book integration.

## Administrator Supports

Professional development content supports. Curriculum development supports.

## Pedagogy Supports

Office hours, webinars, custom-tailored use-case presentations, content development assistance, interactive curriculum map assistance, brainstorming sessions

## Onboarding Webinars

Two (2) one-on-one or small-group webinars for Instructional Specialists and Administrators with a PlayPosit School Solutions Director.

## Custom Domain Branding

White label the experience. Add a logo and customize the colors for all of your members.

## Technological Support

Enhanced Support. Our Account Managers are knowledgeable and passionate problem solvers that deliver best-in-class support.
